THE LOBBY

Step into an open-air lobby of graceful arches, gleaming marble and a soaring wood-beamed ceiling hung with woven lanterns — a breezy, elegant welcome from the moment you arrive.

SPLASH ISLAND WATERPARK

Twisting tube slides, racing lanes and a lazy river at Splash Island Waterpark — plus a separate kids' splash park made just for little ones. Both are right on the resort grounds, so the whole family can spend the day making a splash.

THE POOLS

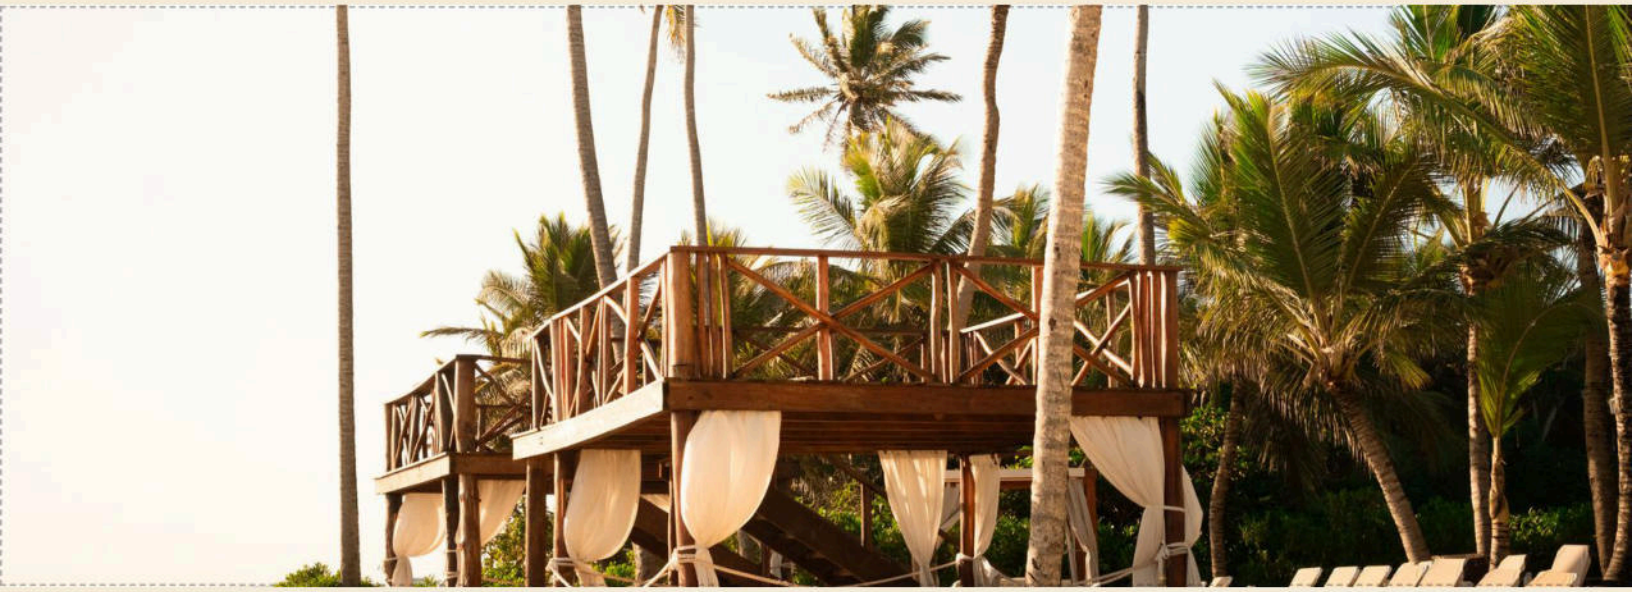

Winding lagoon-style pools wrap around palm-filled islands at Wyndham Alltra Punta Cana. Swim up to the thatched-roof bar for a cold drink, stretch out on a lounger in the sun or find a shady spot under an umbrella, just steps from the beach.

THE BEACH

Soft golden sand, swaying palms and the turquoise Caribbean stretch along the edge of the resort. Claim a lounger in the shade, unwind in a private draped cabana or simply walk the shoreline at sunset.

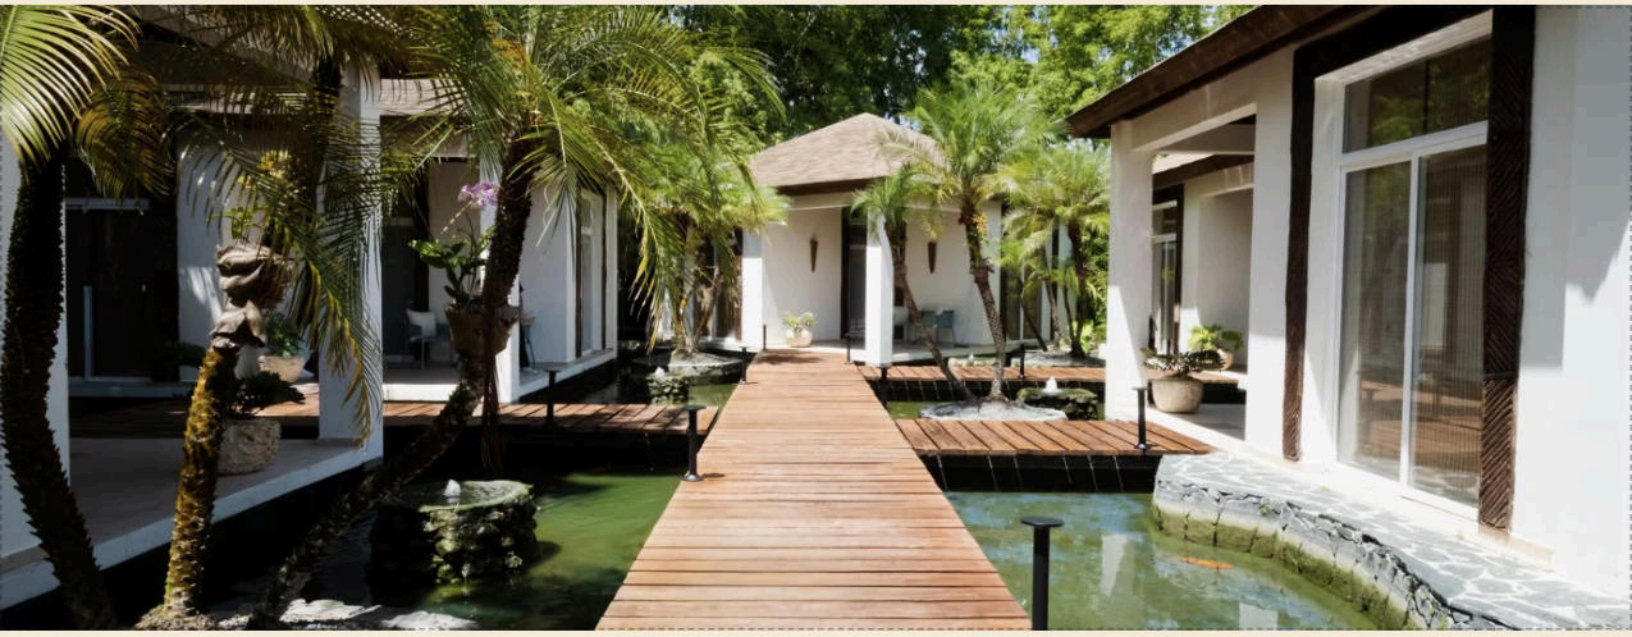

BEACHFRONT

PRIVATE CABANAS

Enhance your Pesach by reserving one of our full service Epic Cabanas on the beach. Choose one of two options: Balinese Bed or VIP cabana.
